

LOCAL NEWS.

FRIDAY EVENING, NOVEMBER 22.

For this section clearing weather, fair Sunday, no change in temperature, followed by easterly winds, brisk to high on the coast.

SOCIETY NOTES.—This winter bids fair to be one of unusual gaiety and those fond of social pleasures will have many opportunities of being gratified. Already have a number of ladies organized a dancing club to meet at the homes of the members semi-monthly, and a number of gentlemen have formed a club which will give a series of fortnightly dances at McBurney's Hall. Besides these several card clubs are on the tapis and many of the other social clubs of the city will give hops during the winter. There, with the usual number of private parties and entertainments will constitute a round of gaiety that will extend pretty well into the spring. In addition to the above named the Musical Association will give a series of rehearsals which are always largely attended and afford universal gratification to all fortunate enough to receive invitations, and Manager Hill has promised to present several excellent plays at the Opera House during the winter. The first meeting of the ladies' dancing club was held at the residence of Mrs. A. E. Smoot, on Prince street, last night, and was largely attended. The ladies all appeared in full evening costume, looking their best, and the evident enjoyment of all participating promises well for the success of the club. On Wednesday next the gentlemen give the first of their assemblies, and this event is looked forward to with much pleasure. The first public rehearsal of the Musical Association will be held at Sarepta Hall to night, and tickets of admission are at a premium.

PERSONAL.—The family of Mr. A. S. Dunham, formerly of this city, will spend the winter in Washington.

Mr. Arthur Lambert and wife, of St. Louis, are visiting relatives in this city.

Judge Norton is shooting ducks on the lower river.

Mrs. John B. Smoot is seriously ill in Baltimore.

Mr. Theodore Teed, who has resided in this city for more than half a century, will leave here to-morrow for New York, where he will make his future home with relatives. He has been the republican judge of election in the Second ward for a long time past.

Mrs. Grayson Uarsh, of Baltimore, Md., who has been visiting Miss Mamie Harlow, left for home yesterday evening.

A surprise party was tendered Miss Sara Bendheim at her residence on Prince street last evening by her many friends. Guests were in attendance from Washington and neighboring places. At 11 o'clock supper was served in the dining room. After a sumptuous and beautiful repast, dancing was indulged in up to a late hour.

Capt. Ham Shepperd will make his home in Lynchburg.

THE MISSIONARY MEETING.—The Second Presbyterian Church was well filled last night to hear addresses on "Foreign Missions," by Rev. H. T. Sharp of Grace Episcopal Church, of this city, and Rev. S. R. Gammon, who sails to-morrow from Newport News for Campos, Brazil. The services were impressive and instructive, and well calculated to awaken new interest in the great cause of sending out the Gospel to "the regions beyond." It was stated as an encouraging sign that speakers on behalf of this cause were not now compelled to begin by apologizing for taking an interest in Foreign Missions—matters had progressed far beyond that point—and it was insisted that with consecrated wealth, consecrated workers and consecrated women, the whole world might be evangelized within the next twenty-five years. Earnest and appropriate prayers were offered by Revs. I. M. Mercer and J. L. Vance. At the close of the service the members of the Second Presbyterian Church were introduced to the Rev. Mr. Gammon and bade him farewell, wishing him God speed in the grand work upon which he is about to enter.

THE A. L. I.—The Alexandria Light Infantry held a meeting last night to ascertain the standing of the company and to see if new life and interest could not be infused into the members. A general debate took place as to the best methods to be pursued, after which a committee was appointed to ascertain the general financial and moral standing of the company and report at a meeting to be held next Wednesday. A recruiting committee was also appointed to secure the re-enlistment of old members as well as to secure new members of the company, which committee is also to report at the next meeting. Over forty members of the company were present, all of whom favored keeping up the organization.

THE MUSICAL TO-NIGHT.—Standing room will be at a premium to-night upon the occasion of the first complimentary rehearsal of the season by the Alexandria Musical Association. The association, in order to have more stage room, disposed of the square piano purchased two years ago, and have replaced it with a very handsome rosewood full-toned upright piano, which will be heard for the first time to-night; both pianos are of Knabe & Co.'s make. The association has also added since last year several very fine and expensive silver plated instruments—double bass, zitone cornet and alto horn.

BARS ON STEAMERS.—The new liquor law in Washington, it seems, affects the keeping of bars on the river steamers. Yesterday the keeper of the bar on the ferry steamer City of Washington was arrested for doing business without the amount of the license he was depositing, and will be allowed to keep his bar open till the matter is settled. The keeper of the bar on the City of Alexandria to avoid any trouble has closed the bar for the present.

COUNT MIKIEWICZ'S TAILOR'S BILL.—Count Eugene de Mikiewicz, who is well-known in this city whose name was connected some time ago with the Chinese concessions to Wharton Barker and his telephone syndicate, has failed to pay his tailor's bill in New York, and judgment has been gotten for the amount of \$258. It is also said that the Count owes \$1,000 to the St. James Hotel for board. He had luxurious apartments in the house.

THE POTOMAC STEAMBOAT CO.—Until the steamer Excelsior now in Baltimore undergoing repairs is ready to resume her route the George Lewis will make tri weekly trips to Norfolk, leaving Prince street wharf every Monday, Wednesday and Friday evenings. When the Excelsior again comes out a daily line will be re-established by this company. The Inland Company is now already running a daily line.

POLICE REPORT.—Last night was rainy and cool with one prisoner and two lodgers at the station house.

The Mayor this morning disposed of the following cases:

A young white man, arrested by officer McCuen for being drunk and disorderly and for assaulting another man, was fined \$1.50.

The old osken bucket which Janitor Nightingale, of the Market building, had every morning for the past five years left on the Royal street side of that building to receive the daily supply of ice from the ice man, this morning mysteriously disappeared, and suspicion points to a well known ice dealer who is on the other side of the building.

Rev. Scott Akers, a colored Baptist preacher in this city, who was an anti Mahon worker at the recent election, and who before that time had a large congregation, had only five people to hear him last Sunday.

Letter from Denver.

[Correspondence of the ALEXANDRIA GAZETTE.] DENVER, Col., Nov. 18.—I made several efforts to have you follow me from Prescott, Arizona, to Denver, Colorado, but was unsuccessful. I sadly missed your stirring work and words during our last State fight for a white man's government. Hurrah for Barber, Gordon and our noble old democratic party! God bless them, one and all, including our gallant McKinney, Hoge and Scott. Virginia is well represented here. The County Assessor, I-10 U. S. District Attorney and U. S. Marshal are from the Old Dominion, while fully a dozen others recently from our dear old state hold positions of trust and influence in railroad, banking and hotel business and it goes without saying each of them felt as grateful and as jubilant over the land sold on Mahone as ever the worst knicker could desire.

Governor elect McKinney and wife were in Richmond yesterday. In deference to his wish there will be no formalities upon his assuming the executive office on the first of January.

DRY GOODS.

SOMETHING NEW.

We have always endeavored to have something new to show our customers; if not daily, at least several times a week. To accomplish this it requires an active trade, and this is what we have had all this fall. This week we show in

DRESS GOODS

Many new and desirable Plaid and Stripe effects at 50c in really choice all-wool goods. We thought we had more than enough of these to run us during the season, but we have had such an active demand that it requires large additions. In this price goods we have also now the light shades of Cashmere for evening wear, 38 inches wide, all wool. Our lines of Serges, Henriettas, Broad Cloths, &c., will be found complete.

CARPETS

Are still active, and we have desirable goods from 40c Ingrains to Velvets. Our stock of Smyrna and Fur Rugs must be fairly good, judging from the number we sell. We have some good Fur Rugs as low as \$3. These just in.

Our buyer has just made some very desirable and cheap additions to our stock of

Housefurnishing Goods.

We would like you to examine the fine Napkins at \$2.25 to \$2.50 and compare with any \$3 and \$3.25 goods you can find. Turkish Bath Towels two for 25c. The Hemstitch Border Large Damask Towel at 30c, we think about three-fourths value for it. Don't forget the Bleached Damasks at 65c, 75c and \$1.25, and also look at our Blanket stock. We can give you these in all grades, and those at \$14 a pair are beauties, made of the finest wool.

CLOAKS AND JACKETS.

Come to us and buy something new and stylish—not an old last season's garment in the place. For tall slight ladies we are turning out some very stylish fits from among our misse's garments. All our garments fit well and are well made, and if we can't suit you in size will have a garment made in from a week to ten days' time.

NEW LACE CURTAINS, NEW NOTTINGHAM NETS, DRAPERIES, &c.

The T. P. ROBINSON COVER FOR UMBRELLAS is a great success. If you have a nice frame your value bring it to us and you will get a nice cover.

Merchant Tailoring

Was never better. Not a dull week since August. Our good enter and first class work makes a customer come again. If you want a suit or Overcoat for Xmas, better leave your orders early.

There are hundreds of other things we have worth your attention which we will be pleased to show you at the store.
